How many slices?

The butcher was particularly grumpy one day because all that his customers wanted were slices of ham. He cut 5 slices and then 16, 27, 38, 49, 60, 71, 82, 93, 104, 115, 126, 137, 148, 159, 170, 181, 192, 203 and 214 slices.

How many slices did the butcher cut that day?
